Project Schedule: Completion date November 19, 2021

Project Scope: The work consists of expanding the parking at the Kennebunk Travel Plazas (NB & SB) in the Town of Kennebunk, Maine. The parking expansion will separate the truck parking from passenger car parking, while providing additional capacity for both. The work includes acceleration and deceleration lane extensions, relocated ramps, parking improvements, parking expansions, perimeter road improvements, clearing, lighting, stormwater facilities, utility work, drainage, maintenance of traffic, signing and pavement markings, and traffic signal improvements.

Contractor Schedule: Shaw Brothers Construction started mobilizing equipment to the southbound plaza starting on 12-10-19. Crews are currently laying out work areas, locating erosion control measures, and installing construction signs. In the next couple weeks, crews will be on site clearing trees and grubbing areas for future excavation. Contractor representatives hope to get a head start on the project before winter conditions make progress difficult.
