

Wallace Danforth, of Litchfield, worked as a Turnpike highway maintenance employee in the 1970's. On November 5, 1973, Mr. Danforth was driving a maintenance vehicle along the turnpike in Lewiston and had slowed down in anticipation of road construction. A tractor trailer struck Mr. Danforth's vehicle from behind, and the impact of the accident sent the maintenance truck into the Ferry Road Bridge underpass abutment. Mr. Danforth was transported to the hospital where he succumbed to his injuries. We honor Mr. Danforth and his service to the Maine Turnpike Authority.
