

**2017.03  
Maxwell Rd Bridge  
Project Update  
January 17, 2017**

**Contractor:** Reed & Reed, Inc.

**Bid Amount:** \$ 1,796,866.00

**Percent Complete last approved pay estimate:** 0%

**Project Schedule:** Substantially complete by November 17, 2017

**Project Scope:** The Project consists of highway and bridge work required to replace the existing one lane Maxwell Road bridge over the Maine Turnpike in the Town of Sabattus, Maine. The work includes clearing, grading, drainage, base, pavement, guardrail, structural concrete, concrete deck, fabrication and erection of steel beams, steel bridge rails, and maintenance of traffic.

**Contractor Schedule:** Reed & Reed is planning to begin work mid-February, more on schedule next month. Maxwell Road is the last remaining one lane bridge that the Maine Turnpike owns. This bridge will be replaced with a new two lane bridge with one pier supporting the structure, unlike the previous bridge that had 3 piers supporting it.
