

2016 Construction Project

Cumberland & Gray Service Plaza Renovations

Project Highlights

- Replacing Starbucks with a 24-Hour Burger King with Drive-Thru in both locations
- Service Plazas to be closed during renovations
Plazas will close on Monday, March 21, 2016
- Expected to reopen for summer tourist season
Currently anticipated to open by Memorial Day
- \$3 million project
- Once reopened, all facilities will be available
24 hours a day, 7 days a week

The Gray and Cumberland Service Plazas will temporarily close for renovations beginning Monday, March 21, 2016 for approximately nine weeks. The Gray Service Plaza (located at Mile 59 northbound on the Maine Turnpike) and the Cumberland Service Plaza (located at Mile 58 southbound) will be temporarily closed to remove Starbucks and install a 24-hour Drive-Thru Burger King in both locations. The \$3 million project will be completed in time for the summer tourist season and is currently anticipated to open by Memorial Day. As part of a long term effort to improve the customer experience, the MTA is offering more hot food options at these two plazas and the convenience of a Drive-Thru. All services will be available 24/7 after renovations are complete. During the renovations all services including gas pumps and sanitary facilities will be closed. Motorists will need to seek alternate locations. Maine Turnpike service plazas in West Gardiner and Kennebunk will remain open during this time.
