

2022.12
Littlefield Road, Wilson Road and Ramp J Bridge Repairs
Project Update
August 26, 2022

Looking East, Ramp J abutment that will be repaired.

Contractor: CPM Constructors

Bid Amount: \$2,433,308.64

Percent Complete last approved pay estimate: 0%

Project Schedule: Completion date November 3, 2023

Project Scope: The work consists of bridge repairs at three locations. At the Route 1 Off-Ramp (Ramp J) Underpass in the Town of Kittery, the work generally includes bridge pavement and membrane replacement, approach work and paving, resetting bearings, bridge drain replacement, and miscellaneous superstructure and substructure repairs. At the Wilson Road Underpass in the Town of Kittery, the work generally includes bridge pavement and membrane replacement, approach work and paving, deck expansion joint repairs, bridge drain replacement, and miscellaneous superstructure and substructure repairs. At the Littlefield Road Underpass in the Town of Wells, the work generally includes bridge pavement replacement, approach work and paving, deck expansion joint repairs, utility conduit hanger replacements, and miscellaneous superstructure and substructure repairs.

Contractor Schedule: The Ramp J bridge is anticipated to be closed on September 12, 2022 for 28 days. During this closure, the Contractor will perform deck repairs and replace the wearing surface. Work on Littlefield Road and Wilson Road will occur in 2023.
