

# 2018 CONSTRUCTION PROJECT

## Weymouth Road Bridge, Gray

### Project Highlights

- \$850,000 project part of \$3.4 million contract
- Awarded to Wyman & Simpson, Inc. from Richmond, ME
- Bridge will be closed for eight weeks after end of school year
- Raising bridge to avoid future vehicle hits
- Replacement of bridge wearing surface
- Repairs to concrete deck and substructure
- Substantial completion date: August 24, 2018

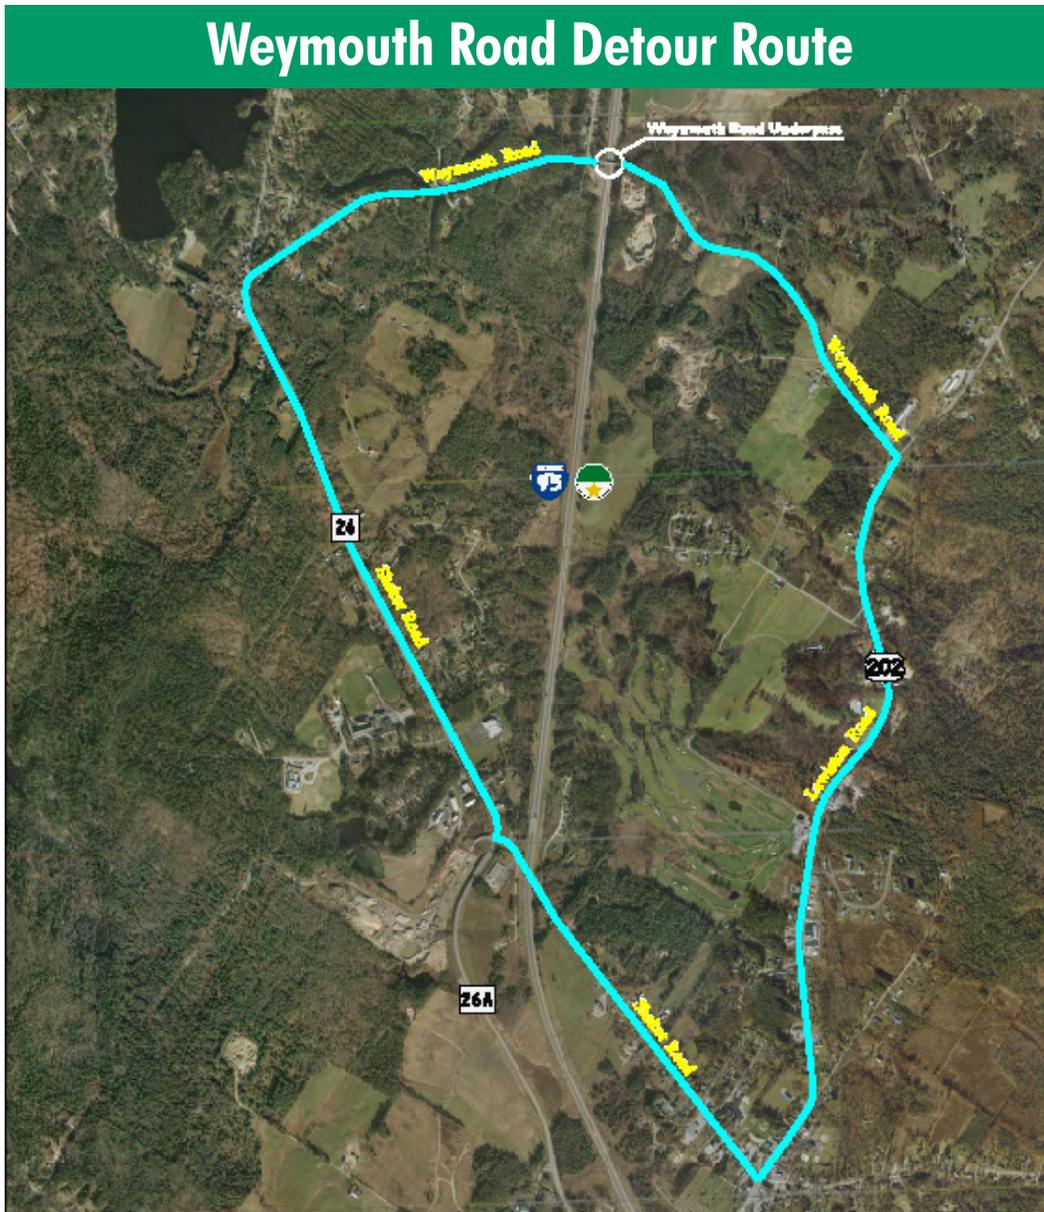

The project includes bridge repairs to the Weymouth Road Bridge over the Maine Turnpike at Mile 66.2, as well as the construction of emergency vehicle ramps to provide a connection to the southbound and northbound lanes of the turnpike for emergency and MTA maintenance vehicles.

Repairs to Weymouth Road Bridge include raising the bridge to avoid future vehicle hits, reconstruction of the roadway approaches, replacement of the bridge wearing surface and repairs to the concrete deck and substructure. The bridge will be closed to traffic for approximately 8 weeks during the construction of the improvements. The bridge is anticipated to reopen to two way traffic by August 24, 2018.

# Weymouth Road Bridge Project

Existing Average Annual Daily Traffic (AADT) on the bridge is approximately 1,650. Once Weymouth Road Bridge is closed, local traffic will be routed around the site via a detour using Shaker Road, Lewiston Road and Weymouth Road. This local detour is approximately 6.7 miles long.
