

**2017.11
Hackett Road Bridge Repair &
Slip Ramp
Project Update
July 19, 2017**

Contractor: Wyman & Simpson Inc
Percent Complete last approved pay estimate:

Bid Amount: \$1,154,486.00

Project Schedule: Substantially complete by November 17, 2017.

Project Scope: The work consists of constructing an Emergency Vehicle Ramp from Hackett Road to the Maine Turnpike in the Town of Auburn, Maine. The work includes clearing, excavation, roadway gravels and pavement, guardrail, fence, maintenance of traffic

Contractor Schedule: Wyman & Simpson will be closing the bridge August 7 so they can begin to repair a damaged girder. After the girder is repaired they will raise the bridge and replace the existing pavement and membrane with new.
