

# 2025 CONSTRUCTION PROJECT

MAINE  
TURNPIKE

## Middle Road, Falmouth

## Project Highlights

### Maine Turnpike is making improvements to the Middle Road (Route 9) underpass in 2025

- This bridge is part of a contract for repairs to three bridges
- In total it is a \$700,000 contract
- Repairs to Middle Rd Bridge will be approximately \$175,000
- Awarded to CPM Constructors, Inc., of Freeport, Maine
- Work is expected to start in the spring and take two weeks

The work consists of:

- Repairing bridge joints (this will help reduce the chance of plow damage to the joints)
- New header installation
- Superstructure repairs

On the Middle Road Bridge, the work consists of bridge joint repairs, header installation, and miscellaneous superstructure repairs.

**The majority of this work will take place at night with single lane closures and alternating one way traffic.**

Work is anticipated to start in the spring and last approximately 2 weeks. All work is scheduled to be completed by the end of summer 2025.
