

2019 CONSTRUCTION PROJECT

Berwick Road Bridge, Ogunquit

Project Highlights

- \$400,000 project part of \$1.5 million contract
- Awarded to CPM Constructors of Freeport, ME
- Replacing the deck pavement and membrane
- Repairs to concrete parapet
- Bridge will be closed to traffic for up to 28 days
- Closure to begin on May 6, 2019
- Detour route will be signed during construction

This project consists of repairs to the Berwick Road Bridge that crosses over the Turnpike at Mile 13.8 in the Town of Ogunquit.

The repairs to the bridge include replacement of the deck pavement and membrane, deck end modifications, deck expansion joint modification, bridge drain grate modification and miscellaneous superstructure and substructure repairs.

The bridge will be closed to traffic for approximately 28 days during construction.

Berwick Road Detour Route

The Berwick Road Bridge carries approximately 860 vehicles per day over the mainline of the Maine Turnpike. Traffic will be routed around the site via a detour using Boston Road, Captain Thomas Road, and Route 1. The detour as signed is approximately 6.5 miles long.
