

Request for Proposal
Maine Turnpike Authority
Workers' Compensation Third Party Administrator
Questions & Answers

1. What is the original inception date of MTA becoming self-insured? **1983**
2. The RFP does not explicitly state if tail claims are to be taken over by the new TPA if the incumbent is not selected. Is it the intent of this RFP that the winning TPA will handle all tail/historical claims as well as new injuries? **All historical claims and new claims**
3. To properly price the claims fees, can we please get a financial summary of all historical claims data including: **Please see attached report**
 - the number of lost time, medical only and record only claims sub-totaled by policy year
 - breakout of claim counts by open vs closed claims by claim type by policy year
 - the paid, reserved, recovered and total incurred sub-totaled by claim type by policy year
4. Please also provide the last 10 years of detailed loss runs – **Please see attached Loss Run report**
5. What are the payrolls by NCCI class code and number of employees covered by class code? **#5506 – 106, #7380 – 24, #8810 – 125, #9410 – 140**
6. What is the current experience mod factor and can we have a copy of the current calculation worksheet? **See attached**
7. Who are the current actuary, CPA firm and corporate counsel the winning TPA will work with? **Foster & Foster, RKO & Wipfli and Nelson Larkins- PretiFlaherty.**
8. What bank does MTA use for the WC investment fund and claims checking account? **Portland Trust and Androscoggin Bank**
9. Who is the current excess carrier and what are the current policy limits by specific stop loss and aggregate? **Arch Insurance -\$1,000,000 Employers Liability limit for each accident/ \$750,000 self-insured retention.**

10. In terms of loss control services, how many hours per year is typically used or required by MTA? **None – MTA has inhouse safety**

11. Deadline for proposals is changed from October 30, 2026 to **November 6, 2026 @4:00PMEST**

* Rating reflects a decrease of 70 percent medical-only primary and excess loss dollars where ERA is applied, reflected only in totals (F), (H), and (I).

The ARAP surcharge shown is for those states in the rating that have approved the ARAP program. It was calculated based on the general interstate formula and maximum, however, the maximum surcharge may vary by state.
